

Curriculum vitae
of Kaloyan Valentinov Haralampiev

Date of birth

18.06.1973 **Montana, Bulgaria**

Education

- 2003 **PhD in Statistics and Demography**
University of National and World Economy – Sofia
Dissertation: Working Capacity of Population of Bulgaria – Past, Present and Future
- 1991-1995 **MA in Statistics and Econometrics**
University of National and World Economy – Sofia
- 1993-1995 **Qualification in Economic Informatics**
University of National and World Economy – Sofia

Academic career

- 2009-present **Associated professor**
Sofia University “St. Kliment Ohridski”
Faculty of Philosophy
Department of Sociology

Courses for BA students:

Statistics for Social Science – part one
Statistics for Social Science – part two
SPSS Basics
SPSS – part two
Application of Bayesian Statistics in Social Science
Surveys of Assessment in the Secondary and Tertiary Education
Informative Values of Statistical Tools for Management Purposes: Secondary
Analysis of Data
Statistics
Statistical Databases and Indices
Qualitative Research Methods in the Public Administration

Courses for MA students:

Information Systems and Research Methods in the Human Resources
Management
Quantitative Political Analysis
Empirical Methods in the Impact Assessment
Research Methods in the Public Policies Assessment
Measurement and Methods in the Organizational Behavior
Statistical Methods in the Organizational Research
Advanced Statistics

Academic career

Courses for PhD students:
Methods and Techniques in the Sociology

- 2003-2009 **Chief assistant professor**
Sofia University “St. Kliment Ohridski”
Faculty of Philosophy
Department of Sociology
- 1999-2008 **Research assistant**
Sofia University “St. Kliment Ohridski”
Center for Sociological Researches
- 2001-2003 **Assistant professor**
Sofia University “St. Kliment Ohridski”
Faculty of Philosophy
Department of Sociology
- 2002 **Part time assistant**
University of National and World Economy – Sofia
Department of Statistics
- 1999-2001 **Part time assistant**
Sofia University “St. Kliment Ohridski”
Faculty of Philosophy
Department of Sociology
- 1999 **Part time assistant**
University of National and World Economy – Sofia
Department of Statistics

Participation in juries

- 2018 **Opinion for Atanas Georgiev Atanasov for the competition for Associated Professor**
- 2018 **Opinion for the dissertation of Ventsislava Tsvetanova Stoyanova for PhD on “Statistical Surveys of the Sustainable Development”**
- 2018 **Review for the dissertation of Iva Pavlova Stamova for PhD on “Statistical Survey of the Factors of Regional Growth in Bulgaria for the Period 2000-2015”**
- 2018 **Opinion for Mariana Koleva Murgova-Fercheva for the competition for Associated Professor**
- 2017 **Opinion for Vasil Dimitrov Bozev for the competition for chief assistant professor**

Participation in juries

- 2017 **Review for the dissertation of Donka Atanasova Keskinova for PhD on “Problems and Approaches of the Application of the Cluster Analysis for the Construction of the Complex Indicators in the Sociology”**
- 2017 **Opinion for Alexander Tsvetanov Naydenov for the competition for Associated Professor**
- 2016 **Opinion for the dissertation of Boris Vladimirov Velkov for PhD on “Statistical Analysis of the Effects of the Monetary Policy of the European Central Bank on the Inflation in the Bulgaria and Eurozone Countries”**
- 2015 **Opinion for the dissertation of Atanas Georgiev Atanasov for PhD on “Econometric Approaches for Seasonal Adjustment of the Statistical Time Series”**
- 2015 **Opinion for the dissertation of Vasil Dimitrov Bozev for PhD on “Statistical Research of Basic Taxes and Tax Revenues during the Period 2003-2013”**
- 2015 **Review for the dissertation of Petya Radoslavova Braynova for PhD on “Comparative Analysis of Possible Approaches for the Study of the Live Expectancy”**
- 2014 **Review for the dissertation of Dejan Zhelev Lazarov for PhD on "Some Opportunities to Input Missing and Correcting Erroneous Individual Data in Statistical Surveys"**
- 2013 **Opinion for dissertation of Darina Nikolaeva Peicheva for PhD on "Methodological Problems of the Quality of the Empirical Sociological Research"**
- 2013 **Opinion for dissertation of Hristo Stefanov Genadiev for PhD on "Theoretical and Methodological Problems of the Statistical Evaluation of Items of the Balance of Payments"**
- 2013 **Opinion for Ekaterina Alexandrova Tosheva for the competition for Associated Professor**
- 2011 **Opinion for dissertation of Martin Dimov for PhD on "Statistical Study of the State, Elements and Trends of the Development of the Information Society (e-Society) in Bulgaria"**

Courses outside the University

- 2013 **Training for the Profession "Office Manager" in "Business Administration"**
Course with employees in "NOEMA" Ltd.
Organization: "Technical Training Bulgaria" Ltd.

Courses outside the University

- 2011 **Training to Work with Software Product SPSS**
Course with officials of the National Institute of Justice
Organizer: National Institute of Justice
- 2011 **Lecture KLACID DATA Analysis**
Organizer: ABBOTT PRODUCTS Ltd
- 2009 **The Civil Control – Guarantee for Transparent and Accessible Local Authorities**
Course with representatives of civil society
Organizer: Foundation "Help for Self-Help"
- 2007 **Data management with SPSS**
Course with government officials of the Ministry of Agriculture and Foodstuffs
Organization: Ministry of Agriculture and Foodstuffs
- 2007 **Introduction to SPSS Classification Trees**
Course with government officials of the State Agency for Employment
Organization: InfoGuard – regional dealer of SPSS for Bulgaria
- 2007 **SPSS Tables**
Course with government officials of the State Agency for Employment
Organization: InfoGuard – regional dealer of SPSS for Bulgaria
- 2007 **SPSS Basics**
Course with government officials of the State Agency for Employment
Organization: InfoGuard – regional dealer of SPSS for Bulgaria
- 2006-2007 **Theory of Statistics**
Qualification course in Business Administration Program
Organization: Center for Professional Training “Progress”
- 2006 **Advanced Statistical Analysis Using SPSS**
Course with government officials of the National Audit Office
Organization: InfoGuard – regional dealer of SPSS for Bulgaria
- 2005 **Classification Trees**
Course with employers of DSK Bank
Organization: InfoGuard – regional dealer of SPSS for Bulgaria

Membership in professional organizations

- 2013 **Union of Scientists in Bulgaria**
- 2007 **International Society for Bayesian Analysis**
- 2006 **European Association for Population Studies**
- 2006 **Bulgarian Sociological Association**

Membership in professional organizations

2005 Association for Social Investigation and Applied Research Practices

Monographs (in English)

2014 **Dimitrov, G., K. Haralampiev, S. Stoychev, L. Toneva-Metodieva.** *The Cooperation and Verification Mechanism: Shared Political Irresponsibility*
St. Kliment Ohridski University Press

Monographs (in Bulgarian)

2015 **Markov, M., G. Naidenov, V. Atanasova, A. Atanasov, V. Prodanov, I. Chalakov, I. Hristov, K. Haralampiev, N. Radev.** *The Bulgarian "Socialist" State Property. Political Economy Analysis.*
University of National and World Economy Publishing Complex

2014 **Naidenov, G., K. Haralampiev.** *Kondratiev Waves during the "Socialism"*
University of National and World Economy Publishing Complex

Scientific projects

- April-November 2018 **Survey of the Motives and Attitudes for Dropping Out of the First Year Students at a Bachelor's Degree at the Faculty of Philosophy**
Funding institution: Sofia University "St. Kliment Ohridski"
Responsibilities: Participation in the elaboration of a theoretical model and research methodology of the study of the first year students
Participation in the development of research tools for the study of the first year students
Participation in the interviews of the first year students
Preparing the IBM SPSS Statistics file to data entry from the survey with the first year students
Data merging in IBM SPSS Statistics of the files from the both stages of the survey
Analysis of data from surveys with the first year students

Scientific projects

- October 2017 **Forming Competencies and Improving Skills to Apply Modern Methods and Methodologies for Scientific Research by Young scientists**
Funding institution: Sofia University "St. Kliment Ohridski"
Responsibilities: Participation in two workshops with young scientists
- April-November 2017 **Survey of Drop-out BA Students in Faculty of Philosophy**
Funding institution: Sofia University "St. Kliment Ohridski"
Responsibilities: Participation in the elaboration of a theoretical model and research methodology of the study of drop-out students
Participation in the development of research tools for the study of drop-out students
Participation in the elaboration of a theoretical model and research methodology of the study of students continuing their education
Participation in the development of research tools for the study of students continuing their education
Participation in the elaboration of a theoretical model and research methodology of the study of the first year students
Participation in the development of research tools for the study of the first year students
Drawing a sample of students continuing their education
Instruction of the interviewers
Preparing the IBM SPSS Statistics files to data entry from survey with students continuing their education and with the first year students
Instructions of the data entry team
Analysis of data from surveys with drop-out students, students continuing their education and the first year students
Secondary analysis of SUSI data on the relationship between student success and drop-out
- 2015 **How to Study European Identity?**
Financing institution: Sofia University "St. Kliment Ohridski "
Responsibilities: Statistical data processing
- November 2012 – October 2013 **Social Inequalities and Regional Differences in the Transition from School to First Work in Bulgaria**
October 2014 Funding institution: Bulgarian-Swiss program "Research" 2011-2016
March 2015 – September 2015 Responsibilities: Statistical processing of secondary data

Scientific projects

- April – September 2013
April 2014 – January 2015
- Maximizing the Integration Capacity of the European Union: Lessons of and Prospects for Enlargement and Beyond (MAXCAP)**
Funding institution: Research Department at Sofia University "St. Kliment Ohridski"
Responsibilities: Statistical processing of empirical data on public opinion towards EU enlargement
Preparation of a report with the results of the analysis
Development of an original methodology for comparative quantitative analysis of member states and EU candidate countries on the basis of publicly available databases and assessment of the degree of commensurability between Bulgaria and Turkey
Comparative analysis of the data for Bulgaria and Romania from the quantitative survey of CVM reports for the period 2007-2012
Analysis of the structural context and dynamics of the rule of law in the EU based on quantitative data
Participation in database collecting
Mathematical processing of data and hypothesis testing
- July – December 2013
- Dynamics of Computer-Mediated Communication of English-Trained Students: Cultural, Anthropological, Linguistic and Interpersonal Models**
Funding institution: Sofia University "St. Kliment Ohridski"
Responsibilities: Statistical data processing
- October – November 2013
- Software Solutions to Adapt the Teaching of Quantitative Methods and Statistics in the Social Sciences to the Labor Market**
Funding institution: Sofia University "St. Kliment Ohridski"
Responsibilities: Development of conceptual design and technical specification for graphical user interface
- October – December 2012
April – December 2013
- The Role of Policies against Corruption and Organized Crime in the Relations between Bulgaria and the EU**
Funding institution: Sofia University "St. Kliment Ohridski"
Responsibilities: Statistical analysis of the published in July 2012 results of the international comparative study National Integrity System of "Transparency International"
- June – September 2013
- National Study of the Quality of Products**
Funding institution: University of National and World Economy
Responsibilities: Statistical analysis of the database
- May – December 2012
- Surrogacy: Rethinking the Concepts of Marriage, Parenting, Paternity Leave. (Moral Aspects).**
Funding institution: Sofia University "St. Kliment Ohridski"
Responsibilities: Advice for data processing of the survey data
- July – December 2011
- Bulgarian "Socialist" State Property – Political Economy Analysis**
Funding institution: University of National and World Economy
Responsibilities: Elaboration of tables for basic characteristics

Scientific projects

- October – November 2011 **Clusters of Capitalism (Typology and Dynamics of the Capitalist Economies)**
Funding institution: University of National and World Economy
Responsibilities: Collect the necessary statistical information
Data processing
Advisory assistance in collection and processing of the data
- May – November 2010 **Linguistic Profile of the Students in Sofia University**
Funding institution: Sofia University "St. Kliment Ohridski"
Responsibilities: Expert activities concerning analysis of the survey data
Statistical processing of the received data
- November 2007
May 2009
August 2009 – June 2010 **System for Permanent Research Work for Studying of the State and the Quality of the Scientific, Educational and Cultural Activities in Sofia University "St. Kliment Ohridski"**
Funding institution: Research Department at Sofia University "St. Kliment Ohridski"
Responsibilities: Development of a theoretical model and questionnaires
Development of methods of sample
Development of models for data processing in SPSS
Data transfer, logical control for errors in the primary information
Data processing (percentage distributions)
Comparative analysis of data
- November 2008 – March 2009 **Informative Values of Statistical Tools for Management Purposes: Analysis of the Data from the Attestation of the Academic Staff of Faculty of Philosophy, Sofia University "St. Kliment Ohridski"**
Funding institution: Research Department at Sofia University "St. Kliment Ohridski"
Responsibilities: Project Manager
Selecting and applying appropriate research methods for secondary analysis of data
Data entry of questionnaires
- June – July 2008 **Scientific Research Activity in Sofia University "St. Kliment Ohridski"**
Funding institution: Sofia University "St. Kliment Ohridski"
Responsibilities: Drawing of a representative sample of teachers
Enter the data of the survey, controlling the correctness of the information and primary data processing
Conducting statistical analysis of data and participation in the writing of the analytical report
- 2008 **Analysis of Correlation between Categorical Variables. Use of Prior Probability in the Case of Non-Representative Samples**
Funding institution: Research Department at Sofia University "St. Kliment Ohridski"
Responsibilities: Project Manager

Scientific projects

- 2007 **Analysis of Correlation between Categorical Variables. Bayesian Inference of the Percentages in the Conditional Distributions**
Funding institution: Research Department at Sofia University "St. Kliment Ohridski"
Responsibilities: Project Manager
- October 2006 –
January 2007 **Raising Quality of Education in Sociology in a Knowledge-based Society**
March – May
2007 Funding institution: Open Society Institute – Budapest
Responsibilities: Preparing a textbook on the subject "Application of Bayesian Statistics in the Social Sciences"
Create original project for design of database software from school assessments in Department of "Sociology"
Investigation of student evaluation of teachers
- 2006 **The Role of Social Networks for Academic Progress of Women in Engineer Sciences: Comparative Survey of Practices in Bulgaria and Germany**
Funding institution: Research Department at Sofia University "St. Kliment Ohridski"
Responsibilities: Project Manager
- 2002 **Innovative Sociology**
Funding institution: High Education Support Program
Responsibilities: Consultant

Research projects and surveys

- June 2017 **Sociological Survey of the Opinion of the Audience of the National Polytechnic Museum**
Contractor: National Polytechnic Museum
Responsibilities: Participation in the preparation of the questionnaire
Processing of the results
Presentation at the National Polytechnic Museum
- February –
April 2017 **National Representative Sociological Survey Based on Territory for Identification of Profiles of Groups and Communities Most Exposed to the Risk of Discrimination**
Contractor: BGASIST Ltd.
Responsibilities: Drawing samples for social surveys representative for the six statistical regions
Selection of statistical models for processing and analyzing data with relevant software
Data processing with relevant software
Preparation of frequency distributions by region and on national level

Research projects and surveys

June – **Preliminary social impact assessment of the reform in the water supply and sewerage sector in Bulgaria**
December 2016

Contractor: The World Bank

Responsibilities: Elaboration of methodology of sample for national representative survey

Drawing sample for a national representative survey

Control of field work processes and digitization of data

Logical control of collected data, statistical processing and primary data analysis of 1000 respondents

Participation in the preparation of the final study report

May 2016 – **Ex-post Assessment of 5 Programs of the Operational Program Human Resources Development in Bulgaria 2007-2013**
January 2017

Contractor: Ministry of Labor and Social Policy

Responsibilities: Developing a methodology for three samples, part of the survey

Drawing of 3 samples for three different quantitative studies

Control of field work processes and digitization of data

Logical control of collected data, statistical processing and analysis of primary data

Participation in the preparation of the final study report

December 2015 **Sociological Survey on the Role and Status of Judicial Experts**
– March 2015

Contractor: Ministry of Justice

Responsibilities: Preparation and elaboration of a questionnaire for an on-line survey

Elaboration of an on-line electronic form

Primary data processing.

Processing the answers of the open-ended questions

Preparation of statistical tables from survey data – frequency distributions and contingency tables and statistical analysis

Production of tables and charts

October 2014 **Public Debate for Change**

Contractor: Association for Social Investigation and Applied Research Practices

Responsibilities: Participation in the development of methodology and tools

Drawing sample

Preparation of instruction and instruction of interviewers

Supervising fieldwork

Preparation of the file for data entry

Preparation of instruction and instruction for data entry

Statistical processing of data

Preparation of instruction and instruction for conducting telephone interviews

Participation in the preparation of analytical report with survey results

General coordination of the project

Research projects and surveys

- May 2014 **Survey of the Opinions and Attitudes of Bulgarian Citizens to Participation in the Decision-Making Process through the Forms of Direct Democracy**
Contractor: Foundation “Institute for Direct Democracy”
Responsibilities: Performing interviews
- November 2013 **Analysis of the Participation of Bulgarian Women in Politics**
Contractor: Association for Social Investigation and Applied Research Practices
Responsibilities: Statistical processing of data for the preparation of the first variant of the study
- May 2013
August 2013 **Effects on Children Left Behind by Parents who Work and Live Abroad**
Contractor: Risk Monitor Foundation
Responsibilities: Drawing sample
Matrix for data entry
Data processing
Conducting of questionnaires
- August 2012 –
May 2013 **Prevention for Safety and Health at Work**
Contractor: General Labour Inspectorate Executive Agency
Responsibilities: Analysis of databases
Prepare and conduct a survey in enterprises from eight economic sectors
Analysis of the results of the survey
Formulating conclusions
- July 2013 **Becoming a Change Agent for Rural Citizenship – A Qualification Programme for Rural Areas in Europe**
Contractor: Association for Social Investigation and Applied Research Practices
Responsibilities: Literature review of questionnaires to assess
Preparation of questionnaires to assess
- July 2013 **EE WOW**
Contractor: Junior Achievement Bulgaria
Responsibilities: Statistical data processing
- June 2013 **Conducting a Survey on the Implementation of the 12 Principles of Good Democratic Governance in Municipalities Applied for Participation in the Second Procedure of Awarding a Label for Innovation and Good Governance at Local Level**
Contractor: Association for Social Investigation and Applied Research Practices
Responsibilities: Drawing sample
Instruction of interviewers
Management and coordination of the interviewer teams
Data entry, data processing and analysis of data

Research projects and surveys

- March – April 2013 **Program for Development and Sustainability of the Institute for Public Environment Development**
Contractor: Institute for Public Environment Development
Responsibilities: Statistical analysis in the development of a methodology for creating an on-line platform for research and evaluation of the behavior of voters at national and local level
- November 2012 **Assessing the Implementation of the National Strategy for Children**
Contractor: State Agency for Child Protection
Responsibilities: Expert in mathematical and statistical methods
- 2012 **Marketing Research and Assessment of the Interaction between Museums, Schools and Young Users**
Contractor: Fund "Culture"
Responsibilities: Drawing sample
Management and instruction of team
Participation in the development of the methodology of the study
Comparative analysis of data on students, teachers and museum specialists
- October 2010
November 2011 **Social Survey of the Population along the Pipeline "Nabucco"**
Contractor: Association for Social Investigation and Applied Research Practices
Responsibilities: Development of methodology and tools
Drawing of a representative sample of households
Conducting in-depth interviews
Supervising fieldwork
Coding and data entry of the questionnaires
Data processing
- April 2011 **Assessment of Local Democracy based on a Survey of Citizens**
Contractor: Balkan Assist-Dialog Ltd.
Responsibilities: Summary of results of survey
- May 2010 –
March 2011 **National Survey of Working Conditions in Bulgaria**
Contractor: General Labour Inspectorate Executive Agency
Responsibilities: Key expert statistician
Development of a theoretical model and methodology of a national representative survey
Drawing of three national samples
Instruction of interviewers
Development of a model and form for digitization of data
Organization and instruction of the team for data entry
Development of on-line poll
Digitize data
Statistical processing and analysis of data
Writing parts of the report

Research projects and surveys

- 2010 **Integral Index of Crime of Minors**
Contractor: UNICEF
Responsibilities: Collection of primary information
Statistical analysis of the primary information
- October 2009 **Compare Ratings and Market Shares Obtained by Both Peoplemetric TV Systems – TNS and GARB**
Contractor: Nova TV
Responsibilities: Statistical analysis of data about the ratings of the leading TV channels in Bulgaria (Channel 1, bTV and Nova TV)
- 2009 **MARIO – Protection of Children against Exploitation in Europe**
Contractor: OAK Foundation
Responsibilities: Statistical processing of data from empirical sociological research
- 2008-2009 **Technical Assistance for the Implementation of the Health Component under Improvement of the Situation and Inclusion of the Disadvantaged Ethnic Minorities with a Special Focus on Roma**
Contractor: PHARE Program of the European Union
Responsibilities: Statistical processing of data from empirical sociological research
- 2008-2009 **Non-formal Leader in Roma Community**
Contractor: CEGA Foundation
Responsibilities: Statistical processing of data from empirical sociological research
- October 2008 **Financial Condition of the Recipients of Social Benefits after 01.01.2008**
Contractor: CEGA Foundation
Responsibilities: Create matrix for data entry
Data processing and analysis of questionnaires
- December 2007 **Survey of Fruit Yields**
– January 2008 Contractor: Ministry of Agriculture and Food
Responsibilities: Interviewing farmers
Drawing of a national representative sample of farms
- November 2007 **Survey of credit risk of company EasyCredit**
Contractor: Easy Asset Management
Responsibilities: Data Analysis
Development of a scoring model for assessing borrowers
Written and oral consultations

Research projects and surveys

- July 2007 **Expert Investigation of the Factors Bringing to Acts of Violence and Aggression among the Minors**
Contractor: Central Commission against Anti-social Acts of Minors
Responsibilities: Development of a model of table for data entry
Coding of open questions
Data entry
Processing and analysis of data (frequency distributions and crosstabs)
- June –
December 2005 **Preparatory Project about Education based on Approach „Life Skills” for Children in Social Institutions in Bulgaria**
Contractor: CARE INTERNATIONAL Bulgaria
Responsibilities: Drawing of a representative sample of children in orphanages
Data entry, controlling the correctness of the information and carrying out primary data processing
Carrying out a statistical analysis of the obtained data
- June –
November 2004 **Construction of Internal Control System at Local Level**
Contractor: Institute for Public Environment Development
Responsibilities: Development of a methodology for the formation of a representative sample of primary documents
Developing a methodology for establishing the reaction time and exceedings in audited municipality in the provision of administrative services
Developing a methodology for the internal control on the use of working time of employees in the municipality
Developing a methodology for linking the electronic information system with the cashier of the municipality
- 2003 **Local Elections – 2003**
Contractor: Agency for marketing and sociopolitical research Alpha Research
Responsibilities: Drawing samples in 11 municipalities
- 2003 **Child’s World without Prostitution, Traffic and Exploitation**
Contractor: Association "Neglected Children"
Responsibilities: Statistical processing of data from empirical sociological research
- December 2002 **Translations**
Contractor: Foundation "Next Page"
Responsibilities: Statistical processing of data from questionnaires
- September 2002 **Languages of the Left**
Contractor: Social Democratic Institute
Responsibilities: Conducting interviews

Awards

- 2005 **Faculty of Philosophy Young Scholar**

08.09.2018
